THE MAÏMONIDE ALUMNI NETWORK

Every class. One network.

The private platform that keeps your graduates connected to the school, and to each other.

Presentation to École Maïmonide · November 5, 2026

THE PROBLEM

On graduation day, the connection starts to fade.

Scattered

Montreal, Paris, Tel Aviv, New York: the school loses track of its alumni.

Out of reach

Old emails, names changed after marriage: alumni lists go stale.

Too public

LinkedIn can’t show you “Maïmonide alumni who want to help”.

Untapped

Many alumni want to help, but nobody knows whom to ask.

OUR ANSWER

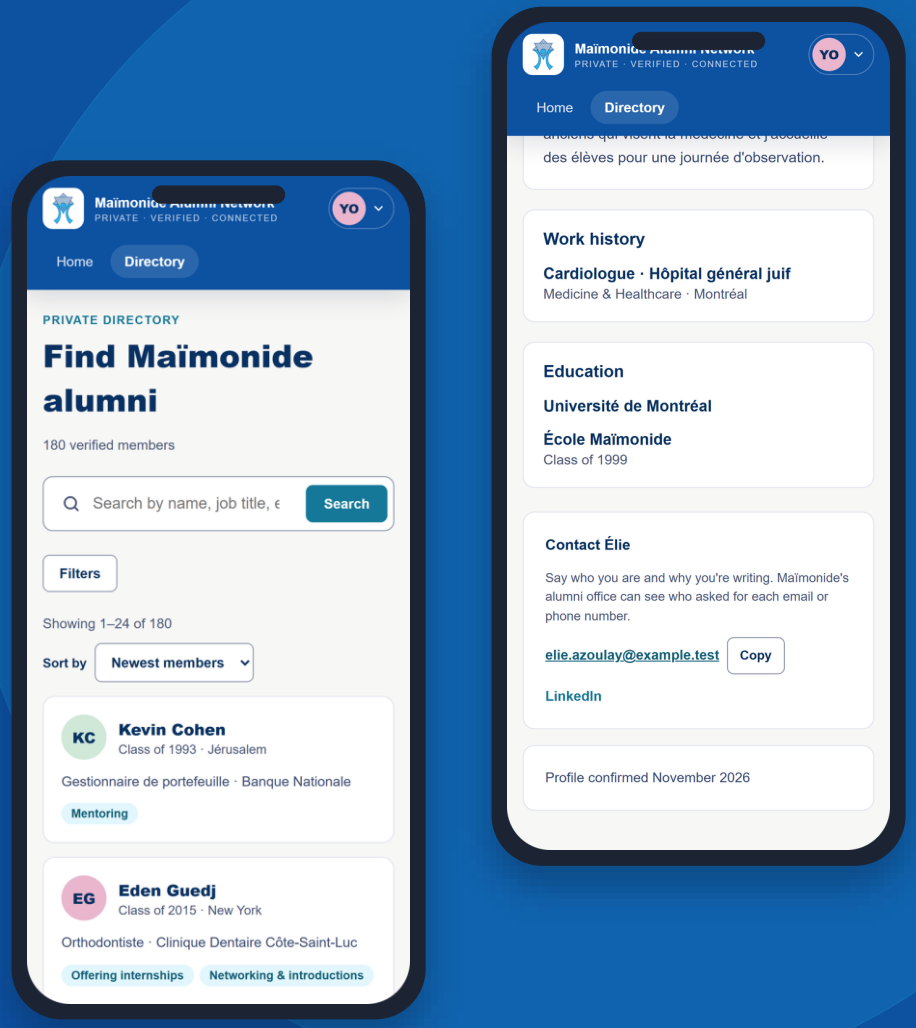

A private network, verified, in your colours.

Private
Only approved alumni see the directory.

Verified
The school approves every sign-up.

Your brand
Your address, your logo, your colours.
